CRACKING THE DC CODE on VALUE FOR MONEY

The Pensions Authority Codes of Governance for DC Schemes are designed to assist trustees in delivering good member outcomes. DC Code 11 – Value for Money - sets out the Pensions Authority's good practice in ensuring that members receive good value from their DC Scheme. This session will explore the solutions that trustees should consider to improve value for money for DC Schemes in order to help members achieve better outcomes.

Joint IAPF/IIPM Breakfast Meeting

Venue: Imperial Hotel, South Mall, Cork.

Date: Friday 20th October 2017

Time: 7.45 a.m.

Fee: €20 per person

Presentation by: Brian Delaney, Senior Investment Consultant in Aon Hewitt

Brian joined Aon Hewitt in 2008 as a Senior Investment Consultant, acting as Lead Investment Consultant to a wide range of Irish Defined Benefit and Defined Contribution Pension Schemes. Brian has 21 years investment experience, including a variety of investment roles in asset management, equity research, private client portfolio management, and investment consulting. He began his career in sales and client servicing roles with Bank of Ireland Asset Management, first in Ireland and later Greenwich, Connecticut. He spent the next 6 years in the United States working as an equity analyst in New York City with Prudential Securities and later, Bank of America. Brian moved to London in 2003 to pursue a role in equity derivatives trading before returning to Dublin in 2005 to work as a private client portfolio manager with Davy. Brian holds an MBS in Finance from the Graduate School of Business at University College Dublin (1994 – 1995) and a BComm from University College Dublin (1991 – 1994). He is also a CFA Charterholder.
