

# An Introduction to Alternatives

**Kevin Frisby**  
**Investment Consultancy Director**

**HSBC Actuaries and Consultants Limited**

HSBC Actuaries and Consultants Limited

# What is DGF?

**DGF is a one-stop solution seeking to achieve equity type returns with significantly lower risk.**

**It involves allocations to both equity itself but is also a meaningful investment in an array of alternatives, and is ideal for a low to mid governance client.**

HSBC Actuaries and Consultants Limited

# The story

- Experiences overseas
- The reaction of the market
- Bringing the concept to market
- Where are we now ?

HSBC Actuaries and Consultants Limited

# Summary

- Meeting the needs of pension schemes today
  - addressing the risk / return balance
  - through low governance vehicles
  - approved by Scheme Actuaries
- But we are powerless without the product providers
