TREE PLANTING CERTIFICATE

WE SHARE THIS LAND SO WE SHARE THE RESPONSIBILITY TO CARE FOR IT

Grown Forest is delighted to certify that IAPF Investment Conference Week 2022, held a Carbon Neutral Event at the Convention Centre Dublin. IAPF Investment Conference Week 2022 will be planting 8 native woodland trees to offset their event.

Date: October 2022

Cert No: SI-6422

Offset: 175.15kg CO₂

At Grown Forest we believe have an environment that deserves our respect.
Your tree(s) will greatly help: In the fight against Climate Change | Reduce Carbon Emissions
Create new and important space for wildlife | Damaged Biodiversity

Neil McCabe

Damian Bligh

Your Tree(s) will be planted annually in Grown Forest during the planting season each Autumn and Winter.
By simply planting one tree; you will have helped tackle Climate Change, provided clean air, saved water and helped people heal.

GROWN Forest Ltd, 128 - 132 Dublin Docklands Innovation Park, Eastwall, Dublin 3
